

Francesca's Pizzas

Francesca's Pizzas is a wood fired pizza food truck based in Wanaka for take away and deliveries. The food truck opened 8 years ago and was an instant hit with locals and tourists alike enjoying our traditional Italian style pizzas cooked to order in a wood fire oven. We serve traditional Italian style pizzas using Francesca's grandparent's recipes and incorporating local produce wherever possible.

Our home made pizza dough is hand stretched to roughly 12" and topped with high quality ingredients, before being cooked directly in front of your guests in our Italian Wood fired oven. Once ready the pizzas are sliced into 8 pieces and can either be served on wooden boards on a buffet table or in take away boxes.

We can cook approximately 150 pizzas per hour and can cater for many dietary options too, including Gluten and dairy free, vegetarian and Vegan
